

Marie Margaritha Lewis, 67, died peacefully but unexpectedly in her sleep Monday, Jan. 3, 2022, at her home in Dallas. She was born in Kingston, the daughter of Dr. Patricia J. Judge Lewis and the late Dr. Donald B. Lewis.

Marie attended Holy Name of Jesus Elementary School and graduated from Wyoming Valley West High School, Kingston, Class of 1971. She graduated from King's College, Wilkes Barre, with a Bachelor of Science degree in biology.

After graduation, Marie became a very successful salesperson in the medical device industry. She spent time working in Washington, D.C. and Houston, but eventually returned to Pennsylvania to be close to family, where she shared a home with her mother, and sister Jessica. After retiring, Marie became a master bridge player and enjoyed cooking, gardening, the outdoors, and her little dog, Luc. She stayed close to all of her family and was greatly loved by all who came in contact with her in her busy life.

Marie had a wonderfully loving and happy personality that radiated an unforgettable charm. As the youngest of six children, she grew up in a very busy household where socializing was a way of life.

Never a shrinking violet, Marie loved to be around others to talk, and laugh, and enjoy the simple pleasure of friends and family. She loved dancing, playing the piano, and spending time enjoying the outdoors. She was also extremely bright, and loved to talk about science and technical discoveries with depth and insight. A tireless homemaker, she graciously cared for her mother and sister Jessica. She will be sorely missed.

Marie is survived by her mother, Patricia J. Lewis; her brother, Donald (Catherine) Lewis; and four sisters, Pati (Steve) Piper, Cynthia (Mark) Larsen, Jessica Houlihan, and Susan (Steve) Berthel; and many aunts, uncles, nieces and nephews.

A memorial service will be held at a later date.

Arrangements are by Harold C. Snowdon Funeral Home Inc., Shavertown.
